Advertising Opportunities

www.berkshirebaseball.com

The Berkshire Baseball Club is asking for your support for the upcoming season. Without the support of businesses and individuals like you, the success and growth that our organization has experienced over the last several years would not have been possible.

Originally founded in 1989 as the Berkshire Red Sox Baseball Club, our organization changed its name in 2002 to the Berkshire Baseball Club, Inc. We are a non-profit 501(c)3 corporation, that supports and promotes wood bat baseball in Berks County.

For the 2012 season, we will be sponsoring at least 25 wood bat baseball teams from 10-U through Adult.

In addition, we also sponsor two very important programs that we're extremely proud of. We underwrite the **Berkshire Scholarship Fund**, which has awarded over \$32,000.00 in baseball and softball scholarships since its inception in 2002. We also sponsor our **World Equipment Outreach Program**, which is a program that collects used baseball and softball equipment and distributes it to underprivileged children both here in Berks County through a partnership with the Olivet Boys & Girls Clubs as well as overseas through a partnership with the National Alliance of Youth Sports (NAYS) and their Global Gear Drive.

Although both of these projects are very worthwhile, they are also very costly to operate annually. Our organization depends on contributions from individuals and businesses so that we can continue to underwrite both of these very worthwhile programs.

Our 2012 program will be distributed at each of our team's home games, all of our Berkshire Tournament Baseball events, our golf tournament as well as at our annual scholarship banquet.

All in all, 4,000 copies of the program will be distributed at over 1,000 local baseball games throughout the Spring, Summer and Fall. We hope for even more community support in an effort to have yet another successful season and be able to touch the lives of even more young people.

According to figures provided to us by the Reading & Berks County Visitors Bureau, our tournament events generate over \$1,000,000 annually for our local economy.

Enclosed you will find the advertising choices and rates for the 2012 Berkshire Baseball season. We hope that you will take advantage of one of these great advertising opportunities and help support baseball in Berks County. Please complete the form on the back of this brochure and return a copy of your ad along with your payment or billing instructions.

You can always stay updated on our organization at www.BerkshireBaseball.com.

Thank you in advance for your support.

Please feel free to contact us at 610-927-4306 with any questions regarding the program or our organization in general.
